Who Will Keep Your Water Healthy, Clean and Pollution-Free?

A Doctor

A Career Politician

DR. BERA

Believes in stringent testing and regulation of mercury emissions to keep our families safe.

Supports the Clean Water Restoration Act to ensure clean, safe drinking water for all Americans.¹

ISSUES

MERCURY POLLUTION

CLEAN, SAFE DRINKING WATER

Sided with big business against public health when he voted to prevent any regulation of mercury pollution caused by facilities like cement plants and industrial boilers.²

Was one of only 21 members of Congress to vote against the Safe Drinking Water Act — a bi-partisan bill to protect our drinking water supply from unsafe levels of toxic chemicals.³
