Vote to Protect the Sacramento River Delta — Vote No on Congressman Lungren

The Sacramento River is critical to our economy, our health and our quality of life, but Congressman Lungren voted to dismantle the Clean Water Act while taking hundreds of thousands of dollars from polluters.¹

Congressman Lungren Voted Against Protecting the Sacramento River Delta

Even though the Sacramento River Delta was named America's most threatened waterway, Congressman Lungren voted against protecting it and others like it when he voted to dismantle the Clean Water Act. Lungren's vote would have prevented regulation of pollution, putting our drinking water at risk.²
