

LINDA McMAHON'S **EXTREME CUTS**

LINDA McMAHON'S EXTREME IDEAS:

DISMANTLE THE DEPARTMENT OF EDUCATION AND THE ENVIRONMENTAL PROTECTION AGENCY

END FEDERAL FUNDING FOR EDUCATION

McMahon stated that she would consider **abolishing the Department of Education**¹, which helped keep 1,150 Connecticut teachers on the job and kept class sizes down.²

END SAFETY AND ENVIRONMENTAL PROTECTIONS

McMahon would also consider **eliminating the Environmental Protection Agency**,³ which is responsible for protecting our families' air and drinking water. Her dangerous proposal could increase our exposure to air pollutants like mercury that are responsible for thousands of premature deaths.⁴
